

## 梅 ▶ Japanese plums

In the early spring, plum trees blossom in red, white, and pink hues. Plum festivals are held in many places famous for plum trees. Japanese bush warblers sing, and the lovely fragrance of the flowers wafts on the air.

早春になると、赤や白、薄紅色の梅が咲き、梅の名所でお祭りが開かれます。ウグイスが鳴き、よい香りが漂います。

【豆知識】樹木以外の花が「咲く」には、flowerを使います。
